The recent Art Of Caring For Others Dinner & Art Auction, held on February 29th, 2024, at the prestigious Dallas Country Club, not only showcased the beauty of art but also illuminated the profound impact of supporting Christ's Family Clinic. With nearly 275 compassionate individuals gathered, this remarkable event became a beacon of hope and support for the Clinic's noble mission.

Renowned Super Bowl Champion, Daryl Johnston, graced the event, captivating attendees with his inspiring anecdotes and unwavering commitment to philanthropy. The silent auction, featuring exquisite art and jewelry generously donated by local artists and supporters, was central to the event's success.

The event also honored individuals who embody the spirit of caring and compassion. The 2024 Art Of Caring Award was presented to volunteer physician Dr. Elizabeth Small. The Clinic honored longtime supporters Kamela and Kenneth Aboussie as Honorary Chairs, highlighting their dedication in advancing the Clinic's mission.

Through meaningful interactions and shared experiences, attendees reaffirmed their commitment to caring for others, a testament to the passionate individuals in our community that so generously continue to support Christ's Family Clinic.

## EXCITING NEWS!

We are currently working with Methodist Health System to hire an additional part-time physician. This individual will allow us to provide primary care to even more patients in our Dallas community.

# Thank you, Preston Road Church of Christ!

Since our inception, Preston Road Church of Christ has been integral to our clinic's success, providing unwavering support that has propelled our service to new heights. Their recent gift of $10,000 further exemplifies their commitment to our cause, amplifying our impact in the community. We're profoundly grateful for their partnership, recognizing their pivotal role in our journey. Together, we look forward to continuing our mission of providing compassionate healthcare with Preston Road Church of Christ by our side.

## PATIENT SUCCESS STORIES

A 46 year old female was diagnosed with diabetes 5 years ago at our Clinic. She started taking medication but also made changes to her diet. She has lost 50 pounds since her first visit. She no longer takes medication for diabetes as her blood sugar is normal without medication.

A 41 year old male has been coming to the Clinic for 5 years for high blood pressure and high triglycerides. Due to our recommendations, he has reduced his intake of carbohydrates and sugar, and regularly lifts weights and runs. He has lost over 30 pounds! His triglycerides are now normal and his blood pressure is much improved. He has reduced the amount of BP medication he takes.
