

# CHRIST'S FAMILY CLINIC

## SPRING NEWSLETTER

### *Spring For Health*

#### *An Evening for Christ's Family Clinic*

On a beautiful spring night, Christ's Family Clinic welcomed over 100 guests at an event held on the lawn of the Dallas Country Club overlooking the golf course. The evening served as both a celebration and a fundraiser, highlighting the Clinic's growing impact on the community.

The night featured a lively and energetic raffle, made extra special by the generous donation of a stunning diamond necklace from Melinda Wheeler Jewels—a highlight that sparked excitement among guests.

"This evening was a celebration of the lives being touched every day through the healthcare provided at Christ's Family Clinic," said April Lafitte, Board Member. "We are thrilled by the enthusiasm and support for our mission."

Christ's Family Clinic, dedicated to providing high-quality healthcare to uninsured adults in Dallas, continues to grow in reach and impact. Events like this help sustain the Clinic's mission and raise awareness of the critical services it offers. The organization extends heartfelt thanks to all who attended and supported the evening, helping to advance its commitment to compassionate and dignified healthcare in the community.

# YOUNG MEN'S SERVICE LEAGUE

## *Young Men's Service League of North Dallas and Richardson Makes a Meaningful Impact at Christ's Family Clinic*

Over the past year, Christ's Family Clinic has been blessed by the dedicated service of the Young Men's Service League (YMSL) of North Dallas and Richardson. This outstanding group of young men and their mothers have volunteered their time to help spread awareness about the clinic's mission throughout the Dallas area.

Each month, YMSL volunteers visit the clinic to gather flyers and learn more about the important work of the Clinic. They then take these materials and share them with local businesses, churches, and organizations—helping to extend the clinic's reach and inform more people about our services.

Their efforts have had a tangible and inspiring impact! We are deeply grateful to these young men and their families for their commitment, enthusiasm, and heart for service.
